Upcoming Meetings

Our February 2016 meeting will be held on **Tuesday, February 9** at our regular meeting place, the South End Baptist Church, 60 Hastings Drive, Dartmouth. Join us for a no-commitment test drive. There will be networking and show and share as well as a sharpening demonstration by member Don Shbaly. Our challenge for the month is a pretty broad one: make a piece of furniture and bring it – or pictures – along to share.

Dues; Time is running out to renew your AWA membership. Membership is \$30.00 for the season 2016/17 season. You can pay at each meeting either to Phil Carter or Debra Hicky.

Chronicle Herald 22 Jan 2016.

In this issue of the Chronicle, business section was a nice write up on Mary Ellen Power. Many of you may have seen it. She is a realtor in Dartmouth. She has started her own business, "Power Design" and will make anything made of wood.

Next December toy drive.

I know this may seem early but if you want to out do Gary Dumas you need to start now. He likely has at least 25 little cars built already. Maybe he'll up his quota to 30 per month this year. So we had better get started.

Stan

I was recently in Phoenix, AZ. I was walking around town looking for a coffee shop and in one I found the items shown in the pictures, one of two tables. They were cut from the same log. I didn't measure them but guess they were 8 ft long and over 2 ft wide. One of the clerks thought it might be maple, ha! My son who lives in Phoenix thought it was Arizona iron wood.. One of the staff there thought it was maple. I don't think he knew his wood.
