### Business & Reminders

- Stephen gave a library update. In March, a group of members got together to review the current resource listing and to cull and organize materials. half of the library has been assessed. Books are currently marked with coloured duct tape identifying one of 12 categories: cabinet making, carving, design, finishing, furniture, home building, miscellaneous, projects, reference, tools, toys, and ing. Books checked in the 2016 are temporarily marked with white sticker to simplify future review. The web library is in the process of being updated based on our physical review. To date, 46 items have been removed from the listing and 38 new resources have been added.
- Walt updated info on member list – he is still waiting return of confirmation info from some members. He will be using that list to update records and will then pass on the list to Stan for the newsletter and Stephen for website updates. Walt will be resending the notice to people who are not on his list but have signed in to this meeting with their contact info. Starting this month, our mailing lists will only include people confirmed with registration. If you have not already done so, please contact Walt with your info.
- We will have our second annual shop tour on April 30. This time, we will visit shops on the Halifax side – Don Shubaly, Doug MacIntosh and the Tattoo props shop.

A few boxes have arrived and more coming

Gary emphasising the need for these boxes and how much it would mean to the children at IWK

Good judgement comes from experience, and experience comes from bad judgement

Boxes for the IWK being evaluated by our members. Some great boxes.
